

WMTA STATE CONFERENCE SESSION PROPOSAL

You are invited to propose educational sessions for the WMTA State Music Conference in October 2010. You may offer your services as a clinician or nominate someone else. Each proposal will be referred to a conference planning subcommittee by area of interest before being forwarded to the WMTA Executive Committee.

Please provide a thorough description of the clinician and the session topic as possible. Detailed proposal information is especially helpful to the planning committee during the session review process.
